

# HOME HEALTH PLAN OF CARE: UPDATE

ARNPs, CNPs,  
& PAs are now  
able to write  
home health  
orders and  
oversee all  
plans of care

**Effective for claims with dates of service on or after March 1, 2020, these non-physician practitioners may bill the following codes:**

- **G0179:** Physician re-certification for Medicare-covered home health services
- **G0180:** Physician certification for Medicare-covered home health services
- **G0181:** Physician supervision of a patient receiving Medicare-covered services provided by a participating home health agency
